## INDEPENDENT AUDITOR'S REPORT

To the Audit Committee  
Blue Shield of California Foundation  
San Francisco, California

### **Opinion**

We have audited the accompanying financial statements of Blue Shield of California Foundation (a California nonprofit corporation) (the "Foundation"), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities and cash flows for the year then ended and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Blue Shield of California Foundation as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Blue Shield of California Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Blue Shield of California Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

associated with Moore  
Global Network Limited

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Blue Shield of California Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Blue Shield of California Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Report on Summarized Comparative Information**

We have previously audited Blue Shield of California Foundation's 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated May 18, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Blue Shield of California Foundation  
Notes to Financial Statements  
December 31, 2022  
(In thousands)

1. NATURE OF OPERATIONS

Blue Shield of California Foundation (the "Foundation"), a California public benefit corporation, was founded in 1981 as California Physicians Service Foundation (doing business as Blue Shield of California Foundation). The Foundation's mission is to build lasting and equitable solutions that make California the healthiest state and end domestic violence. The strategic direction of the Foundation is rooted in our knowledge that well-being depends upon much more than traditional healthcare services and crisis intervention. Our work is focused on moving further forward to help improve the lives of those who struggle the most in order to create a California that is full of possibility for all.

The Foundation is supported by contributions received from California Physicians Service, doing business as Blue Shield of California ("Blue Shield"), a related party (see Notes 7 and 8).

Program funding

The Foundation makes grants and contributions to organizations operating for charitable, scientific, or educational purposes. These grants are made directly to organizations whose charitable work is related to ending domestic violence, and ensuring access to health care for all Californians.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The Foundation's financial statements have been prepared using the accrual basis of accounting. Net assets and changes therein are classified as follows:

- *Without donor restrictions* - Net assets without donor restrictions consist of all resources of the Foundation which have not been specifically restricted by a donor.
- *With donor restrictions* - Net assets with donor restrictions consist of cash and other assets received with donor stipulations that limit the use of donated assets. These stipulations may expire with time or may be satisfied by the actions of the Foundation according to the intentions of the donor. The Foundation did not have any net assets with donor restrictions as of December 31, 2022.

Revenue recognition

Cash and other assets received as donations are reported at fair value when the unconditional promise to give has been communicated. Donations are classified as restricted support if they are received with a donor restriction. When a donor restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported as net assets released from restrictions.

Blue Shield of California Foundation  
Notes to Financial Statements  
December 31, 2022  
(In thousands)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

In-kind donations

In-kind donations consist of Foundation staff salaries and benefits, office space, and other donated goods and facilities received from Blue Shield, an affiliate of the Foundation. Donated goods are recorded at estimated fair value when received, and donated services received from Blue Shield employees are recorded at the cost recognized by Blue Shield.

Cash and cash equivalents

Cash equivalents that are held as operating funds and designated for the payment of grants and expenses are included in cash and cash equivalents in the statement of financial position. Cash equivalents held as reserve funds or as investments are included in investments in the statement of financial position. Cash equivalents generally consist of short-term, highly liquid investments with original maturities of three months or less at the time of purchase.

Investments

The Foundation's investments are stated at fair value based on quoted prices in active markets. Any related changes in the fair value of investments are reflected in investment return (loss), net in the statement of activities. Purchases and sales are recorded on a trade date basis and interest and dividend income is accrued as earned.

Fair value measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e. the exit price) in an orderly transaction between market participants at the measurement date. The Foundation determines the fair values of its assets and liabilities based on a fair value hierarchy that includes three levels of inputs that may be used to measure fair value (Level 1, Level 2 and Level 3).

- *Level 1* - inputs are quoted market prices (unadjusted) in active markets for identical assets or liabilities the Foundation has the ability to access at the measurement date. An active market is a market in which transactions occur with sufficient frequency and volume to provide pricing information on an ongoing basis.
- *Level 2* - inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly.
- *Level 3* - inputs are unobservable inputs for the asset or liability.

Unobservable inputs reflect the Foundation's own assumptions about the assumptions market participants would use in pricing the asset or liability (including risk assumptions). Unobservable inputs are developed based on the best information available in the circumstances and may include the Foundation's own data.

Blue Shield of California Foundation  
Notes to Financial Statements  
December 31, 2022  
(In thousands)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Fair value measurements (continued)

The categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

Grants

Grants are recognized as expenses when the unconditional promise to give to an individual program or award is approved by the Board of Trustees. The Board of Trustees has approved a President's Discretionary Fund wherein the Foundation's President directs the awards. Discretionary funds are not recognized as grant expenses until the President directs the award and the grant becomes unconditional. Conditional grants are expensed and considered payable in the period in which the grant becomes unconditional, that is when the related barrier(s) have been overcome and/or the right of return or right of release has been met. Grants scheduled for payment in excess of one year are measured at the present value of future payments. The discounts on these amounts are computed using an appropriate discount rate commensurate with the risks involved. As of December 31, 2022, the Foundation did not have any grants scheduled for payment in excess of one year.

The Foundation occasionally makes conditional grants to organizations. There are no unpaid conditional grant awards as of December 31, 2022, and the Foundation has no other conditional grants.

Income taxes

The Foundation is a nonprofit organization exempt from income tax under Section 501(c)(3) of the Internal Revenue Code (the "Code") and Section 23701d of the Revenue and Taxation Code of the State of California. The Foundation has been determined by the Internal Revenue Service to be a private foundation within the meaning of Section 509(a) of the Code. The Foundation is exempt from both federal and state income taxes, but is subject to federal excise tax on its net investment income. For the year ended December 31, 2022, the Foundation had a federal excise tax expense of \$74, comprised of \$204 of current excise tax expense and \$130 of benefits from deferred excise taxes, included within net investment return in the statement of activities.

The Foundation is subject to a flat 1.39% federal excise tax on net investment income, as defined by federal law. The Foundation had a deferred excise tax asset in the amount of \$31 as of December 31, 2022.

The Foundation assesses tax positions taken or expected to be taken against more likely than not recognition threshold and measurement attributes for financial statement recognition. Based on an analysis prepared by the Foundation, it was determined that the tax positions taken or expected to be taken had no material effect on the recorded tax assets and liabilities of the Foundation.

Blue Shield of California Foundation  
Notes to Financial Statements  
December 31, 2022  
(In thousands)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Functional allocation of expenses

Expenses have been charged directly to grantmaking, program, and general and administrative classifications based on direct expenses incurred. Any expenses not directly chargeable are allocated to grantmaking, program or general and administrative classifications based on management's analysis of what classification was benefited by the expense. Management's analysis primarily includes estimates of employee time incurred.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Comparative financial information

The financial statements include certain prior year summarized comparative information in total, but not by net asset classification. Such summarized information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Foundation's financial statements for the year ended December 31, 2021, from which the summarized information was derived.

Subsequent events

The Foundation has evaluated subsequent events through June 21, 2023, the date the financial statements were available to be issued. No subsequent events have occurred that would have a material impact on the presentation of the Foundation's financial statements.

3. LIQUIDITY AND FUNDS AVAILABLE

The Foundation maintains assets in a three-tier platform based upon the anticipated timing of planned expenditures. This includes liquidity management where financial assets are available for grants, general expenditures, liabilities, and other obligations. None of the Foundation's financial assets are subject to donor-imposed stipulations, redemption restrictions, or other contractual limitations on the ability to liquidate funds. The Foundation's financial assets are considered highly liquid and available for expenditure as needed; however, based on the Foundation's investment policies, approximately \$30,000 held in investments is designated for operating reserves intended to support the Foundation in years beyond 2023.

Blue Shield of California Foundation  
Notes to Financial Statements  
December 31, 2022  
(In thousands)

3. LIQUIDITY AND FUNDS AVAILABLE (continued)

The Foundation's financial assets available within one year of December 31, 2022 to meet general expenditures included:

Cash and cash equivalents	\$	8,069
Investments		64,925
Excise tax refund receivable		180
Less board-designated operating reserves		<u>(30,248)</u>
	<u>\$</u>	<u>42,926</u>

The board-designated operating reserves of \$30,248 as of December 31, 2022 represent funds intended to be maintained for over five years for purposes of providing operational support should the Foundation experience reduced funding. Although the Foundation does not intend to spend from its board-designated operating reserves within one year, funds may be made available for expenditure by the Board of Trustees as deemed necessary.

4. INVESTMENTS

The cost and fair value of investments consisted of the following:

	<u>Cost</u>	<u>Fair Value</u>
Money market funds	\$ 155	\$ 155
Domestic fixed income securities	46,121	42,895
Domestic equity securities	<u>20,905</u>	<u>21,875</u>
	<u>\$ 67,181</u>	<u>\$ 64,925</u>

5. FAIR VALUE MEASUREMENTS

The following table sets forth by level, within the fair value hierarchy, the Foundation's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Money market funds	\$ 155	\$ -	\$ -	\$ 155
Domestic fixed income securities	-	42,895	-	42,895
Domestic equity securities	<u>21,875</u>	<u>-</u>	<u>-</u>	<u>21,875</u>
	<u>\$ 22,030</u>	<u>\$ 42,895</u>	<u>\$ -</u>	<u>\$ 64,925</u>

Blue Shield of California Foundation  
Notes to Financial Statements  
December 31, 2022  
(In thousands)

6. GRANTS PAYABLE

Grants awarded, but unpaid, are payable as follows:

Year ending December 31,

2023	\$ <u>716</u>
	\$ <u><u>716</u></u>

7. RELATED PARTY TRANSACTIONS

In 2022, Blue Shield provided the Foundation with a total of \$27,612 in donated support. This support has no donor restrictions and is used primarily to fund research, policy, and community grantmaking of the Foundation. Total donated support from Blue Shield included occupancy and personnel costs for which Blue Shield received no compensation.

Personnel and occupancy provided to the Foundation was comprised of the following:

Labor, at Blue Shield cost	\$ 5,847
Benefits, at Blue Shield cost	1,089
Occupancy and other, at fair value	<u>675</u>
	<u>\$ 7,611</u>

The Foundation occasionally makes grants to organizations where a member of the Board of Trustees is also an interested party related to the recipient organization. Foundation policy requires Trustees to disclose any real or perceived conflicts of interest and the recusal of any conflicted Trustees from Board votes on proposed Foundation grant awards. The Foundation's Board has complied with this policy during 2022.

During 2022, six grants totaling \$2,277 were awarded to organizations in which Foundation Trustees are interested parties.

Payments to organizations in which Foundation Trustees are interested parties was comprised of the following:

Purpose	
Memberships	\$ 11
Professional services	60
Marketing services	5
Honoraria services	<u>2</u>
	<u>\$ 78</u>

Blue Shield of California Foundation  
Notes to Financial Statements  
December 31, 2022  
(In thousands)

8. CONCENTRATIONS

Financial instruments

Financial instruments that potentially subject the Foundation to concentrations of credit risk consist principally of cash and cash equivalents and short-term investments. Risks associated with cash and cash equivalents are mitigated by banking with creditworthy institutions. Such balances with any one institution may, at times, be in excess of federally insured amounts. The Foundation has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk.

Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the near term could materially affect the amounts reported in the statement of financial position.

Contributions

For the year ended December 31, 2022, all contributions were received from Blue Shield, a related party (see Note 7).

9. FUNCTIONAL EXPENSES

The table below presents expenses by both their nature and their function for the year ended December 31, 2022:

	<u>Grantmaking</u>	<u>Program</u>	<u>General and Administrative</u>	<u>Total</u>
Grants awarded	\$ 29,734	\$ -	\$ -	\$ 29,734
In-kind labor and benefits contributed services	-	4,789	2,147	6,936
In-kind non-labor contributed services	-	482	193	675
Professional services	-	5,043	202	5,245
Other	-	470	289	759
	<u>\$ 29,734</u>	<u>\$ 10,784</u>	<u>\$ 2,831</u>	<u>\$ 43,349</u>
