California Healthcare Safety Net: Moving Toward the Future

November 29 to 30, 2010

Anticipated Outcomes:

1. Better understand how health care reform will impact the future of safety net providers
2. Identify approaches for the transformation of the health care safety net serving low-income individuals
3. Highlight new ways for different parts of the provider community to work together differently with a particular emphasis on community clinics and county ambulatory care service

Monday, November 29, 2010
